

Company Presentation

Developing locally, competing globally

In a nutshell

Founded: 1991

CORE BUSSINES

Electronics Manufacturing Services

- PCB Design & Assembly
- Cable Harnessing
- Device Integration

Applied R&D

>80
employees

> 80%
higher education

45
R&D projects

> 3M
revenue

Quality Systems

ISO 9001:2008
Cert No: 041050097

ISO/IEC 20000-1:2011
Cert No: 01814003

ISO 27001:2005
Cert No: 08014045

EN ISO 14001:2004
QMSCERT No: 301215-2

Industrial Safety

Member of:

Wireless Remote Monitoring & Control Solutions

driven by sensing art

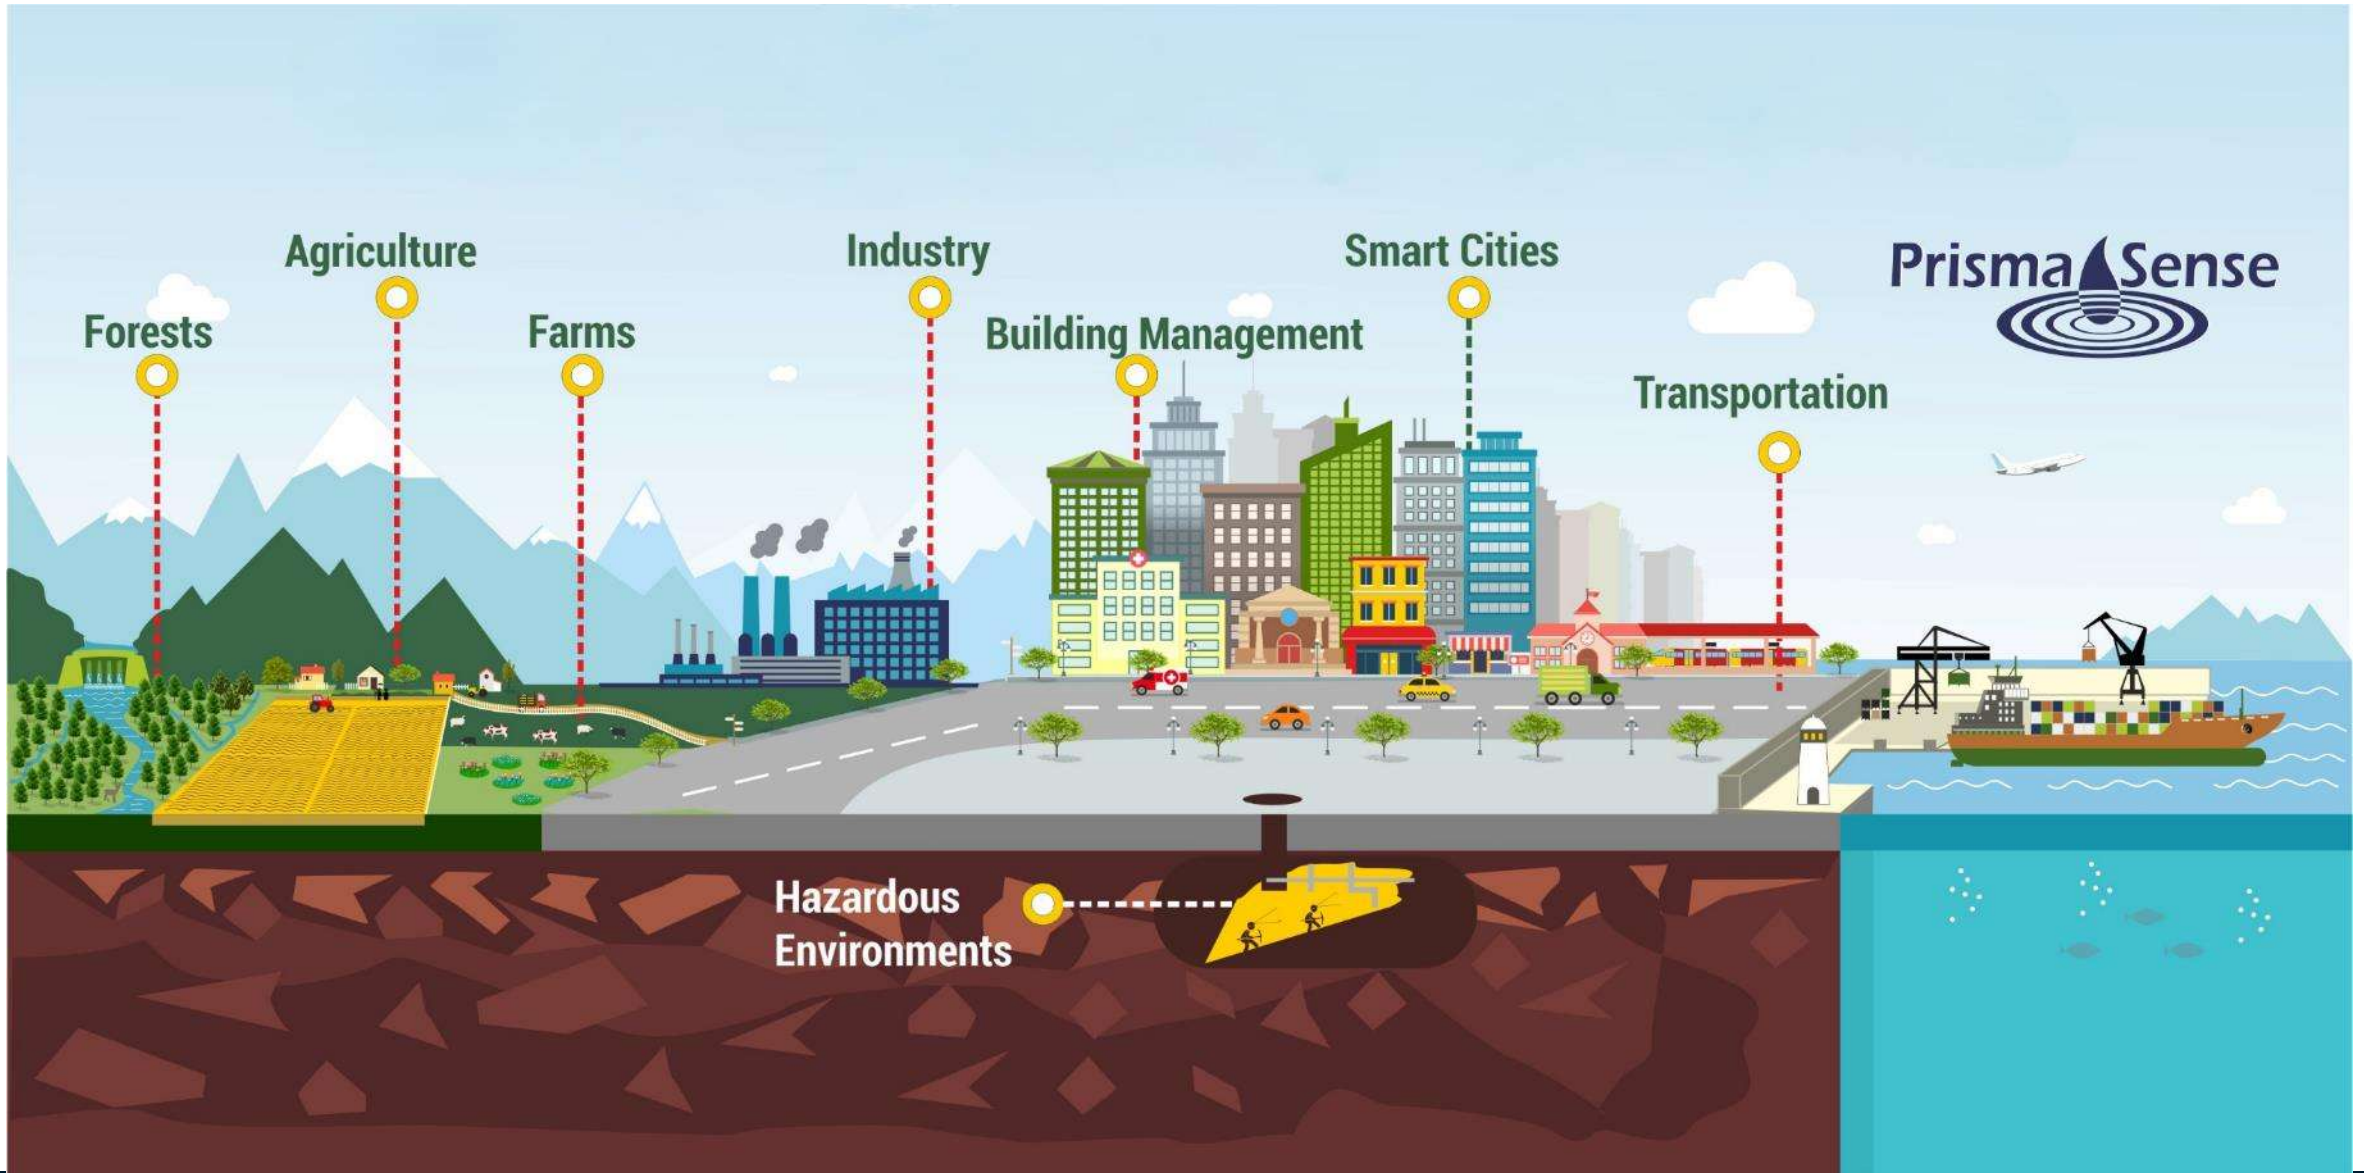

Enables Condition-based monitoring for e - Maintenance

PrismaSense[®] Architecture

PrismaSense[®]: Fields of App (Commercial)

Corporate Product: LAROS

LAROS

Powered by PrismaSense®

Awarded Remote Monitoring Solution for Vessel/Fleet condition

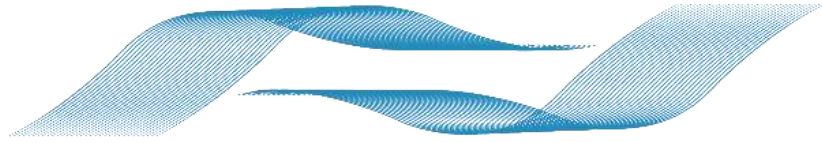

Handling **1.188.000**
measurements per hour

250+
Installations

Case Study: Personnel Safety

EDUSAFE

Personnel Safety in CERN
for remote monitoring & guidance
in Harsh Environments,
based on PrismaSense®

PrismaSense®: Applications in Defense

Ground

Army Camps
Facilities
Vehicles
